

I. Please check one:

_____ **(A) Yes, our Title V program decisions will be based on our PL221 School Improvement Plans.**

PLEASE NOTE: The School Improvement Plans should be reviewed annually and the Title V decisions should be based on the updated plans.

OR

_____ **(B) We have conducted a needs assessment relative to the purposes and available uses of funds under Title V, Innovative Programs.**

If (B) is checked, please describe the identified needs below.

II. Describe how assistance under Title V, Part A will contribute to improving student academic achievement or improving the quality of education for students.

III. Parents MUST be involved in decisions regarding the use of Title V funds. Please describe the strategies used to ensure a program of systematic consultation with parents, and appropriate school personnel, in determining programs to be supported and the allocation of funds to such programs.
